

Lincoln Half Marathon

Frequently Asked Questions

Published 16 November 2016

I can't see my name on the start list?

The start list won't be available until approximately 4 weeks before the event. If you believe you have entered, but haven't received your confirmation email after entering please contact the office via info@osbevents.com

My plans have changed, I no longer want to / can race & I would like to withdraw?

This is not a problem but please let us know using the same email that you have registered with. Depending on when you withdraw depends on how much of a refund we will give you; please see our T&C's. If you wish to exchange your entry to someone else, that is also fine, there will be a charge of £10 for this process and can be done up until midnight 4 September 2017 online via your Active.

When do we get our race packs?

Race packs, which contain your race numbers, race booklet, timing chip, etc will be sent out during September. If you have not received yours before 25 September 2017, then contact us on 01427 718888.

Can I wear MP3's / iPods / Headphones?

No, sorry. These are not permitted and if you chose to wear them, you will be disqualified. It is essential that you can hear our race marshals, volunteers and other athletes around you. By listening to music you will miss out on the atmosphere of the event.

What time does the race start?

The race will start at 09.30 prompt. We recommend that you arrive at The Lincolnshire Showground by 08.30, there will be an event warm up from 08.55 and you will start lining up from 09.10.

Are the route maps available?

The course is being updated for 2017 to include the highlights from 2016 as well as improve some areas. The maps will be available for you to download shortly. The whole course will still be along closed roads, with over 300 event marshals and 4 drink stations. The course is UKA Certified with mile markers.

Will there be time pacers?

Yes, if you are looking for a specific time, you can run with one of our pacers. The pacers will be running 1h30, 1h45, 2 hours, 2h15 and 2h30. In 2016 the pacers all hit their allocated times (apart from 1 who suffered an injury during the event)

Can I run for a different charity?

Yes, the aim for the event is to help as many local charities as possible – it is your choice which charity you choose to run for. Our selected charities are 'The Ethan Maull Foundation' and 'Cancer Research UK', however, you can select your own to run for if you wish.

What will there be to do at The Lincolnshire Showground for my friends & family to do whilst I run?

The short answer is 'lots'. We will be having a stage with local bands playing, there will be a range of food & drink vendors, all serving local products and also a number of fun fair rides. There will also be regular updates from along the course from our race commentators.
