

Why do I need insurance?

Whether you're training for your first triathlon or you're a seasoned pro, insurance should be an important part of your triathlete kit.

Triathlonguard specialises in providing insurance cover for the UK's triathletes and can help with the financial cost of the unexpected, whether that's theft, accidental damage to your bike or even accidental damage to a third party or their property.

With Triathlonguard you can even protect your **race entry fees** (maximum three claims or an aggregate value of £750), so should the unfortunate happen and you can't compete due to injury or illness you can claim back the cost of your entry.
